

Tax Associate Intern (Virtual) Fall 2022/Spring 2023

Every year, the [Campaign for Working Families, Inc.](http://www.cwfphilly.org) recruits, trains, and manages hundreds of volunteers and interns who staff free tax sites across Southeastern PA and South Jersey. In response to the COVID pandemic, CWF's services expanded to include a virtual tax prep program which has enabled us to serve taxpayers safely and ensure they have access to important tax credits through free tax preparation, resource building and asset development services.

For this upcoming tax season, CWF is seeking highly motivated and tech-savvy individuals to fill our multiple Tax Associate intern positions for our **virtual** tax prep program. All students, no matter your major, are encouraged to apply, because each intern will learn critical skills that will not only enhance your resume but also your prospects for employment upon graduation. **This opportunity is also WorkStudy and academic credit eligible.**

Individuals should possess strong quantitative skills and be extremely detail-oriented. Previous accounting and/or tax preparation experience is a plus but not required since training is provided. This is a great professional opportunity for Accounting, Finance, and Business majors. **Tax Associates will be engaged in various roles including tax preparation and quality review.** Duties and responsibilities may expand based upon individual strengths and schedule availability.

Requirements & Responsibilities:

- Complete 24 hours of tax prep training (in-person or virtual)
- Assist with in-person tax prep trainings held in January for volunteers (or virtual equivalent)
- Commit to 15-20 hours per week from mid January through April 21st (min 160 hours)
- Attend our annual *Financial Wellness Day* (or virtual equivalent)
- Serve at least one shift with our Mobile Tax Team (or virtual equivalent)
- Work closely with Site Management Team and serve as Quality Reviewer
- Complete internship survey upon successful completion of program

Only students who can fulfill the commitments outlined above are encouraged to apply.
